

## Business Support Solutions

FMDirect provide Intelligent Business Solutions and IT Consultancy Services to their customers online via the Internet, and on a more conventional personal level to suit individual customer requirements.

As an independent Technology Company, FMDirect provide Help Desk/Call Centre Solutions, Project Management Services and IT/FM Consultancy for the Property and Facilities Management sector. Our consultants have been working in the industry since 1990.

FMDirect have formed partnerships with a number of companies to provide best of class solutions to the marketplace. At the forefront of this strategic partnership approach is our alliance with Intelligent Information Systems Ltd. We believe the combined strength and experience of both companies offers a better and more knowledgeable and proactive service to our clients.
